# WELLNESS RETREATS

Wellness retreats inhabit a unique world of consciousness and attention to detail, and Lula, our playful seaside boutique hotel, is tailor-made for them.

While we provide all the treatments, detox options, and activities that serious wellness enthusiasts expect, we also infuse a dose of fun into the experience.

Imagine unwinding in a swaying hammock, sipping a cold margarita after an intense yoga session, delving into deep relaxation with sound healing, rejuvenating with Mayan mud scrubs, and indulging in chocolate therapy, all in one day.

The stunning beachfront yoga shala stands out, just steps away is our Mexa-Mediterranean restaurant, ready to replenish you with delicious, healthy bites. We love to strike a balance of all that comes together in a mystic place like Tulum.

A couple in white wedding attire are dancing on a wooden pier by the ocean. They are holding hands and smiling. The scene is framed by two large, rustic floral arches made of wood, decorated with white roses and dried grasses. The background shows the ocean and a cloudy sky.
